cultural society of oregon

Calling all potential sponsors!

The All-Ireland Cultural Society of Oregon, a 501(c)(3) non-profit organization, is hosting a virtual St. Patrick's Day Celebration this year on March 17th, 2022. We are commissioning local Irish musicians, dancers, and groups to create video footage of their performances. We'll then put those videos together into a YouTube playlist, together with introduction videos for each artist by our Master of Ceremonies. This playlist will be accessible via our website starting March 17th and will be available for FREE to everyone.

This is the second year now that we will host a virtual St. Patrick's Day event. Last year our event was a huge success, reaching over 4,000 households and was absolutely FREE to everyone as well.

We're asking for your help to offset the costs of this year's virtual event. Your financial support will help us compensate the many local Irish artists who will be participating in the event.
